AUTO ACCIDENT PROVES SERIOUS.

Millard R. Hainline, of this city, was badly injured in an automobile accident Sunday night while on his way to his home here. The accident occurred on the Paris pike between that city and Lexington. Mr. Hainline and Mr. and Mrs. Dee Smith, also of this city, in the former's car, ran into an unlighted car that was standing on the side of the road. The wheels of the two cars became locked and while trying to separate them Mr. Hainline, who was at work on the inside of the road, was run into by another car, which came by at the time. The third car, it is said, was running without lights and Mr. Hainline saw it approaching just in time to step onto the running board of his own car. He was run into and thrown under the machine, his leg being broken at the ankle, and it is feared he is internally injured. Mr. Hainline was at once taken to Lexington and placed under physicians' care at the St. Joseph Infirmary.

OCTOBER 22-25 SELECTED AS DATES FOR FALL RACE MEETING

Arrangements Are Rapidly Being Perfected and
Mt. Sterling is Assured of a Fall Racing
Meeting—Thousands to Visit this City

A company has been incorporated here, known as the Mt. Sterling Fair Company, and will hold a four-day racing meeting, commencing Wednesday, October 2nd. At a meeting of the newly organized company the following were elected as a board of directors: A. S. Johnson, W. C. Clay, C. G. Pangburn, John M. McCormick and D. B. Skidmore. A. S. Johnson was elected president; W. C. Clay, vice president and G. B. Senff, secretary treasurer.

An attractive program will be issued within the next few days and excellent purses will be offered. There will be four thoroughbred running races each day in addition to a trotting or pacing race. A large number of stables from Lexington, Latonia and Louisville will be brought to the local track and much rivalry is sure to be in evidence. A good band will be secured and it is likely a carnival company will be here during the entire week. The meeting will be held at the Mont-

gomery County Fair Grounds, and many thousands of lovers of horse flesh are expected to attend from all the surrounding counties. Auction pools will be sold on the result of the races and there will be pari-mutuel machines a plenty to accommodate the crowds which are expected. A percentage of all receipts will be given to the Mary Chiles Hospital and this fact is calculated to help swell the crowds.

In addition to the racing program on the first day there will be a tobacco and corn show. Prizes will be given for four grades of tobacco—Bright, Lugs, Trash and Flyings. A \$15 prize will be given for the best six hands in each class; \$10 to the second best and \$5 to the third. For the best 10 ears of corn, any variety, the first prize will be \$10; \$7.50 to the second, and \$5 to the third best.

Many other features will be announced later and the meeting gives promise of being a huge success from every standpoint.
